In this webinar, Enkindle will provide a succinct overview of the current status of the aged care reform impacting CHSP and Home Care providers together with 10 Strategies for Reform Success, detailing immediate and medium-term strategies to be included in every organisation's reform roadmap.

Some of the key strategic considerations that will be unpacked:

- Understanding the Drivers for success in the proposed Home Care Model
- Building a rich understanding of your current client journey
- Understanding your unit costs and efficiency
- Developing a workforce strategy that considers your current and future workforce needs
- Build a voice of a customer program that builds your brand
- Technology Considerations

This webinar is part one in a 2-part series on Strategies, Trends and Reforms.
